

Mother Earth
To a Creator all is possible

Welcome! Welcome in the energy of my Heart, dear children of my Love, walking on the surface of my own body. I am Mother Earth! I am your Mother! I am the Mother of Creation in this dimension. I am the Mother of Light. I am the Mother of Life in this dimension.

And today, we share this precious time window together in this very sacred place of Love, of Light, of harmony.

I am inviting each one of you to open your heart in this now moment in a very special way. The way of trust. Trust, dear ones! I am inviting you to reconnect with the Divine Trust that you carry inside you since the time of your creation in all the Universes. You carry this Trust inside of you. Do not look outside to feel this trust! It is alive inside you. Today I, your Mother in this dimension, am inviting each one of you to welcome this trust, to acknowledge it because it is inside you. This quality, this frequency, this vibration never left you. You carry it since you decided to come in this dimension.

That is why you are here today in this now moment. That is why you could listen to your heart and say “yes” to this adventure of recreating your life with a new foundation: the foundation of Divine Trust that opens all the doors for you. The doors of abundance, the doors of unlimited things, unlimited energies, unlimited all that you want, that you desire, that you ever dreamed.

These words, beloved ones, are charged with my energy of power, my energy of life, my energy of love. Receive it please! Welcome it in your heart to reactivate this memory, this knowledge, this feeling, this beingness of trusting Life. Trusting the power of your life inside you. Trusting that this life inside you *is the Real Life!* The True Life of a Creator, of The Creator, the Almighty One Consciousness, One Creator of All.

You have the capacity, the power, the potential of resurrecting who you truly are in the Light, in the Eternity.

Today you are receiving an official Divine Sacred invitation to say “yes” to the power of Light inside you, to the power of Trust that you carry inside you. To open the magic door of All Possibilities, the magic door of Unlimited things, unlimited energies, unlimited frequencies, unlimited dreams and creations because this is so true, beloved ones!

Feel the moment! Feel this second where you are in front of yourself, in front of your potential, in front of the Life inside you. Will you choose to say “yes”? To say “yes” to this Power inside of

you? To reactivate the memories that you carry? The memories of who you truly are beyond your physical body? Beyond time and space. Beyond all what you can imagine.

A belief is an energy that is alive, that is at work each second of your life. Each one of your beliefs is like a consciousness by itself, a life in your world. The world of your perception. The world of your creativity. The world of your imagination. The world of your life.

Each one of these beliefs, beloved ones, is active. It is alive and it is creating. It is talking to the Universe. It is pulling events, emotions, peoples, animals, all that is around you towards you to be on the same wave length as the beliefs you carry.

So, in this now moment, beloved ones, will you choose to reject all the beliefs that are heavy inside of you? They are bringing you back in past times, past memories, past wounds, past vows, past everything that is not in the now moment.

Do you choose to reject and give these beliefs to the Almighty Heart of the Creator, the Source, the Life Itself that knows all about you? That knows where each one of these beliefs is coming from. That knows how to handle, to nurture each of these beliefs with love, peace, calmness, Light and to transform it back in its original state of Light and Love, of high frequencies of Love and Action in all the dimensions.

You have to choose, beloved ones, to let go of all that is heavy inside you. All that pulls you backward in the sadness, in the suffering, in the frequencies that inhibit you to feel your heart, to feel your connection with the Life, to feel your connection with the Wisdom of the Source inside of you, the connection with your power, the power of the true Life inside of you.

These words, beloved ones, are so simple. A part of you may say: *“Well, it cannot be! It cannot be that simple! I must work hard to heal these wounds, these beliefs, the energies I carry inside me!”* Just notice the following words: **To a Creator all is possible! To a Creator that knows he is Creator, that he has power of Life inside himself, everything is possible! There is no limit!**

Beloved ones, I am inviting you to welcome these words and take them as a mantra, as a new way of living, as a new way of feeling the Life inside you. *“To me, everything is possible! To the power of Life inside of me everything is possible! There is no limit! To my imagination, to my creation, to my dreams, to my Life because I am Life in action, I am All Power manifested in this dimension and I am here to prove, to live, to be this power, to feel this power! To be amazed by the power of Life inside this physical body. To be amazed by the power of Life around this physical body because “I AM THE POWER OF LIFE! I Am using this physical body in this dimension to grow, to expand, to participate to the creation of a new world, a new planet Earth, a new energy in this dimension, the energy of True Love, of True Compassion, of True Life.”*

I AM LIFE IN ACTION! I AM THE POWER OF LIFE IN ACTION! I HAVE ALL POWER ON ALL ENERGIES INSIDE OF ME AND AROUND ME BECAUSE I AM! BECAUSE YOU ARE! BECAUSE YOU CANNOT SEPARATE YOURSELF FROM THE POWER OF LIFE, BELOVED ONES!

It is possible! You are ONE with the power of life! And you have experienced billions of frequencies, billions of energies since you are in this dimension using many bodies, playing many roles, many games and now I Am with you in this moment of eternity, in this now moment. I Am inviting you to open the door of your imaginary jail that maintains you in the belief system of the 3D world. The 3D world is dying, is fading away to be replaced by a world of Love, of Peace, of Magic! And you know that! Your soul knows that!

Today, put your hand on the door handle of your jail, that jail of false beliefs, false limitations. You are ready now to welcome the energy of all possibilities, of Life, of the power of Life inside you. To transform your vision of yourself. Transform your vision of this world, of this physical body, of what you see around, what you see inside, transform the vision because all belongs to the perfection. All is part of the perfection being manifested in this dimension because all is alive. All carries the signature of Pure Love of the Creator!

Everything! Regardless of the energy types. Because all types of energies, all types of frequencies, all types of emotions are part of the perfection expanding in this dimension as a learning process for all the creators playing the game of ascension in this now moment in this dimension on this planet.

Feel! Feel the power of Life inside of you! There is no limit to the power of Life inside of you! NO LIMIT!

When a voice inside you speaks about fears, limitations, that says it is impossible in this world! Know that this the voice of the ego, of that part of you that forgot where it came from. This part of you came from the Heart of the Creator. It just took the color of forgetting, the color of pretending to have forgotten. It pretended so long, that it has forgotten. But now you know the king and the queen of your own kingdom. You know the name of the game! The game of ascension, the game of going back to the Truth, to the magic, to the reconnection with True Life, to the power of Life inside you. And that power of Life inside you will guide you. That power of Life knows you so very well. It is part of you. It will guide you!

So, trust this trust I was talking about at the beginning. This trust, beloved ones, is your sacred and divine guide. It is the sacred energy that will take you outside the jail of the 3D world, the 3D way of thinking, the 3D way of living, of pretending to live.

You have received the trust energy in the physical world. Now you are invited to take this trust energy and welcome it deeply in your heart. You are invited to nurture it so that it becomes so strong, so powerful that there is no doubt. This trust will open the door for you to see beyond the appearances. To see beyond the physical plane, beyond the emotions, these energies.

Trust! It is the almighty gift of this day to each one of you. Trust! The shining sun of the power of God, the power of Source, the power of Life inside of you.

I am honored to use these words, these frequencies to touch your heart with trust, with this energy that comes to knock at the door of your heart to bring you freedom. To bring you your True Life, the one you came to manifest here in this dimension.

I Am Mother Earth, Mother of Love, Mother of each one of you, each consciousness part of you, each energy that you carry, each frequency that you carry. I Am Mother of that because we are One. I know your heart. I know who you are deeply inside because I carry you inside my heart. We have a golden link together: a golden bridge that we have built together for many lifetimes.

You have the power each one of you to connect with each kingdom sharing my physical body in this dimension now! Each one has a special gift to reconnect. Feel the kingdoms with whom you are sharing your life pretending to be just a human being in this dimension.

So, I am inviting you to explore these gifts that you have inside of you because you have many of them. Feeling the Life, not only the life of another human being through the heart but also the life of a tree, the life of a butterfly, the life of a flower, the life of a stone. You are explorers of energies. You are Creators learning to use your own power.

Blessings of Love. Blessings of Light. Blessings of Wisdom to each one of you. Thank you!
